

Dear Sir or Madam,

I am writing in response to the current Government consultation document: **changes to Human Medicine Regulations to support the rollout of Covid-19 vaccine.**

A vaccine to the coronavirus or Covid-19 is not the answer. A percentage of the public are aware that many very wealthy people like Bill and Melinda Gates have a vested interest in a vaccine, which stands to make them extremely wealthy. However, when a possible vaccine is being rushed for no other reason than to 'save the economy' or 'save lives', which is hypocritical as the lockdown has caused more deaths than the actual 'deadly' virus. The economy and small businesses were forced to collapse ready for a coming global reset, as will be discussed at the World Economic Forum in January 2021.

And yes, anyone who brings out an unsafe vaccine should be held accountable, because £120,000 from the Government in payouts for vaccine damages is not enough to bring back a previously healthy human body.

Covid-19 Cure Already Available but Censored from the Public – WHY?

Hydroxychloroquine: The Narrative that it Doesn't Work is the Biggest Hoax in Recent Human History

<https://www.covidtruths.co.uk/wpcontent/uploads/2020/08/Hydroxychloroquine-The-Narrative-that-it-Doesnt-Work-is-the-Biggest-Hoax-in-Recent-Human-History.pdf>

May I remind you that the Government is ordained by God to protect people and to bring justice against evil. I have seen more evil in this Government and its draconian ruling and rushed legislation and your actions and decisions are not hidden from Almighty God. You are accountable to him, and bringing in inhumane regulations like lockdowns, refusing people to see their family and friends, social distancing, and now the mandatory facemasks through bias mainstream scientists funded by the Bill and Melinda Gates Foundation is clearly an operation to bring about mental illness, mass suicide, dividing families, and not saving lives. Are you aware that Bill Gates is a eugenicist? This agenda is anti Christ, satanic, and fear mongering. I am not afraid to say that this is a depopulation agenda and all of you in Government who are not speaking against the mainstream narrative are culpable to genocide upon the general population. No human should be deprived of touch. It is

exactly how Almighty God made us, and we are strengthened by community and human touch.

Your job is not to lie to the people, nor to follow a non-governmental agency agenda like the United Nations Sustainable Development 2030 Agenda, which is based on the bogus fictional notion called 'climate change'.

The true climate change, if you are not already aware, will take place in Revelation 16, where God in his wrath upon unbelievers, will turn up the heat of the sun.

And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. 'And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory – Revelation:16-8-9

We ought to believe God over man, who has a corrupt sinful nature and the god of this world, Satan, can deceive unbelievers away from the true light that is the Lord Jesus Christ.

I have to question why there has been so much censorship in the social media from non-mainstream doctors and scientists who have successfully treated people in the early stages of Covid-19 with Hydroxychloroquine? If you did not listen to the 2 hours plus recording, you are culpable and ignorant to the facts of many scientists and doctors who are telling the truth and in your ignorance you are engaging in protocols that are HARMING the population, not curing.

Why such heavy censorship if this cheap treatment was not a threat to the current fear driven virus and the 'only' cure that is Covid-19 vaccine. Why do you continue to lie to the people whom you are in a position to protect? Why not allow the people to make their own decision as to whether to take the vaccine?

Government have given the local councils the power to lockdown towns due to the mass test and tracing, which is highly inaccurate, and the creator of the RT-PCR tests, Kary Mullis said:

Kary Mullis, who won the [Nobel Prize in Science for inventing the PCR](#), is thoroughly convinced that HIV is not the cause of "AIDS". With regard to the viral load tests, which attempt to use PCR for counting viruses, Mullis has stated: **"Quantitative PCR is an oxymoron." PCR is intended to identify substances qualitatively, but by its very nature is unsuited for estimating numbers. Although there is a common misimpression that the viral load tests actually count the number of viruses in the blood, these tests cannot detect free, infectious viruses at all;**

they can only detect proteins that are believed, in some cases wrongly, to be unique to HIV. The tests can detect genetic sequences of viruses, but not viruses themselves.

What PCR does is to select a genetic sequence and then amplify it enormously. It can accomplish the equivalent of finding a needle in a haystack; it can amplify that needle into a haystack. Like an electronically amplified antenna, PCR greatly amplifies the signal, but it also greatly amplifies the noise. Since the amplification is exponential, the slightest error in measurement, the slightest contamination, can result in errors of many orders of magnitude (emphasis mine)

The damage by your behavioural team who use psychology to reform social policies through the draconian laws of social distancing, disallowing family members to come together, creating germophobes out of the fear and propaganda to over cleanse the skin and reduce beneficial microbes that actually protect the skin, and the mandatory mask wearing has successfully brainwashed the general public and caused long term damage, especially to children. Great job!

Social Distancing Does Not Work

This study evidenced that there were no spikes in Covid-19 amongst the protestors, therefore making there no logical reason to continue with the social distancing and the mask wearing. In continuing this psychological brainwashing nonsense on the population and continuing to lie through the propaganda media, you are causing mental health damage and destroying families and you have no right to do this and must stop this immediately. You are hurting your own families, your children, and your grandchildren.

Why does one peaceful protestor receive a hefty £10,000 fine, and violent protestors like BLM, Antifa, and Extinction Rebellion get away with murder and anarchy?

Yes, I believe they would not give two thoughts about your life if they were rushing toward your home to set it on fire. Remember this. Remember what you allow and support. These groups are demonic and funded by wealthy globalists like George Soros. Why attack one peaceful group member with a fine against the violent anarchic protestors? You as the UK Government are hypocrites.

No Science for Face Masks Preventing Infection

“Here is a clue. On July 12, Deborah Cohen, the medical correspondent of BBC2’s Newswight, revealed an astonishing thing. The World Health Organisation (WHO) had reversed its advice on face masks, from ‘don’t wear them’ to ‘do wear them’.

But the key fact was that it had not done so because of scientific information – the evidence had not backed the wearing of face coverings – but because of political lobbying.

She revealed on Twitter that: ‘We had been told by various sources (that the) WHO committee reviewing the evidence had not backed masks but they recommended them due to political lobbying.’ She said the BBC had then put this to the WHO, which did not deny it.”

Enough lies have been told. It is time for the UK Government to step forward and tell the truth to the people whom you serve.

Yes, it is likely that people may sue you personally for their unnecessary loss of business, which is only right to correct the inhumane wrongs that have been put into place through this draconian legislation rushed in, but lying and deceiving people is far worse.

You are contributing to mass depopulation and it is evil and wrong.

You are accountable to Almighty God and every decision you make is being written in the books of the living, where unbelievers will be judged on their works at the Great White Throne Judgment after Christ's millennium reign here on earth. To go to heaven, your name must be written in the book of life, also known as the Lamb's book of life.

I leave the gospel message with you, which I encourage you to read and believe. One lie is enough to send you to the Lake of Fire for ever.

And there shall in no wise enter into it any thing that defileth, neither *whatsoever* worketh abomination, or *maketh* a lie: but they which are written in the Lamb's book of life – Revelation 21:27

The only way you can escape the lake of fire is to put your trust in Jesus Christ as your personal saviour who died for your sins, was buried, and rose on the third day.

Whether you believe in Almighty God or not, **HE IS REAL and as Government people in positions of power over people, you have a duty to protect the people and bring justice against evil. YOU ARE ACCOUNTABLE TO ALMIGHTY GOD.** You already stand guilty because the Word of God says:

for all have sinned, and come short of the glory of God; - Romans 3:23

The wages of sin is death (Romans 6:23) and death separates us from a Holy, righteous, just God.

If you ignore the general public over this document and rush an unsafe vaccine that causes long term health problems, and possible death, you are culpable of murder and must be held accountable in this lifetime, but Almighty God will surely hold you accountable at the Great White Throne Judgement, unless you see your need for a Saviour in Jesus Christ and trust in Him as the only payment for your sin and the only way to heaven. <https://youtu.be/StgAtwxix0>

I pray that God will open your eyes and your ears to the truth against this false light propagated by Satan and his demons and do the right thing in the sight of God for the people whom you are in a position to protect.

Yours sincerely,

Only Jesus Saves
